Dear Connie and Garry:

I was delighted to receive your letter letting me know of your new business venture, *Tailwater Drifters*.

I applaud your initiative and also your willingness to promote Red Deer and surrounding area as a beautiful spot to stop and visit. I was interested to learn that there is such a great interest in fly fishing on the Red Deer River, and that there is a strong market for experienced guides to share their knowledge with keen fly fishermen.

Thank you for doing your part for tourism in Central Alberta—we are sure that Red Deer and Central Alberta will feel the impact of *Tailwater Drifters* for many years to come.

Sincerely yours,

Gail Surkan
Mayor
